

# BECOME A FOREST CHAMPION!

The Georgia Forestry Foundation educates Georgians about working forests as a natural solution to our state and nation’s greatest challenges through its three programmatic pillars: **Education and Leadership**, **Environmental Sustainability**, and **Economic Competitiveness**.

### EDUCATION & LEADERSHIP

Providing immersive experiences that connect youth and adults to working forests while cultivating forestry leaders

### ENVIRONMENTAL SUSTAINABILITY

Maximizing forests as an environmental solution with market-based initiatives for clean air, clean water and wildlife habitat

### ECONOMIC COMPETITIVENESS

Addressing constraints to forestry competitiveness and driving access to good paying jobs and sustainable materials

## When working forests succeed, we all benefit.

### Support our efforts to tell our story.

We are on the cusp of a shared vision where working forests are becoming increasingly recognized by a variety of stakeholders as a natural solution to our state and nation’s environmental and economic challenges. The Georgia Forestry Foundation brings together the best thinkers, educators, influencers, innovators and forestry leaders to maximize the potential of our forests in answering the defining issues of our generation.

Georgia’s population is growing and changing. But, with your support, we can continue telling the story of working forests and the benefits they provide to communities across the state.

**Become a FOREST CHAMPION with a minimum \$1,000 donation as an annual gift to the Georgia Forestry Foundation. Then, recruit 5 friends to join you.**

### FOREST CHAMPION LEADERSHIP LEVELS
