

# BECOME A FOREST CHAMPION!

As a private forest landowner, you are a valuable part of the Georgia forestry community. The **Georgia Forestry Association** is the leading advocate for a healthy business and political climate for Georgia’s forest landowners and forest-based businesses. GFA’s advocacy is greatly enhanced by the **Georgia Forestry Foundation’s** work to ensure the long-term economic and ecological health of Georgia’s working forests with programs that focus on the forest economy, education, and environment.

Today, thousands of forest landowners are enrolled in a conservation property tax program such as Conservation Use Valuation Assessment (CUVA) or the Forest Land Protection Act (FLPA). These programs have been the direct result of the **GFA’s** sustained advocacy efforts and research initiatives led by the **GFF**.

**Are you enrolled in one of these programs?**  
See your estimated annual property tax savings below.

**Consider using a portion of your savings to invest BACK into the Georgia Forestry Foundation with a tax-deductible gift.**

The Georgia Forestry Foundation is a 501c3 organization and provides forestry focused economic, environmental, and education & leadership programs across Georgia. Through targeted research and by sharing the story of working forests, GFF’s investments have helped create a positive environment for working forests and forests products in the state of Georgia and beyond. We need your support to ensure the long-term success of Georgia’s 22 million acres of working forests.

**Become a FOREST CHAMPION with a minimum \$1,000 donation as an annual gift to the Georgia Forestry Foundation. Then, recruit 5 friends to join you.**

## FOREST CHAMPION LEADERSHIP LEVELS
