Setting Up Your Virtual Reality Headset

The Georgia Forestry Foundation is excited to partner in providing a unique learning experience to your students through the donation of a Meta Quest 2® virtual reality (VR) headset. Below is your guide to setting up your Meta Quest 2® headset and accessing the Georgia Public Broadcasting (GPB) educational app. If you have any questions, please call us at 478-992-8110 or email us at info@gffgrow.org.

Get Started With These Tools:
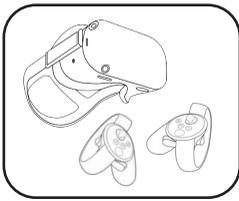

Meta Quest 2
128 GB Headset
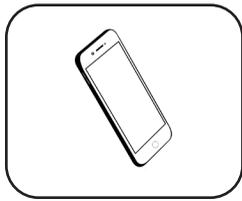

Smartphone With Ability
To Download Apps

Access To
Wifi Internet
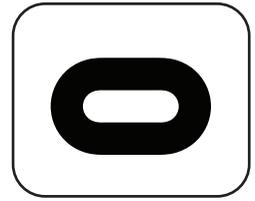

Meta Quest App Available
On Google Play & App Store

Set Up Your Meta Quest 2 Headset:

1. Power on the headset and plug it into a power source to charge. *(It may need 15-20 minutes to update.)*

2. Turn on your smarphone's Bluetooth. This is done in the phone settings.

3. Go to the App Store or Google Play Store and download the Meta Quest app. *(Allow the app to access your phone's Bluetooth.)*

4. Follow Meta Quest app directions to "Set up account with email."

   • Each headset must be registered with a unique email address.

   • A verification email will be sent to you by Meta. Enter the provided code into the in-app on-screen prompt. *(Please check your spam folder if the email does not appear.)*

• Select "Skip" on the payment information window. *(The GPB Education VR | AR app is free.)*

• Select "Quest 2" as your headset type.

5. You may now put on the headset. Please follow the on-screen prompts.

   • Please note that you will need to connect the headset to WiFi.

   • If you have issues setting up your headset, visit the Meta Quest 2 site: https://www.meta.com/help/quest/articles/getting-started/getting-started-with-quest-2/

6. **After the Oculus account is set up,** access your smartphone's web browser and type in this link, which takes you to the app download page: https://www.oculus.com/experiences/quest/5049733785063697/

7. A pop up may appear that says, "Available Through App Lab". Select the blue "OK" button at the bottom.

8. On the GPB Education VR | AR app page, scroll to the bottom and click the blue "Get" button to download the app.

9. Select the option "Have an Oculus Account?"

   • Proceed to log in with the Oculus account that you just made. Now, the app is in your personal "App Library."

10. Put on the headset and select the App Library icon located on the right side of the menu bar.

11. Once in the App Library, search for and select the "GPB Education VR | AR" app.

Navigate the GPB Education VR | AR App:

1. Start by selecting one of the GFF learning journeys/modules:

   • *Georgia Forests Plant and Animal Cells*
   • *Georgia Forests 360*
   • *Georgia Forests II 360*

2. Once you choose a module, you will need to download it by selecting the orange button.

3. Once a module is downloaded, click on the button again, which now says "VR," and get started!

**Download the GPB
Education VR | AR App**
